Sussex Area Chamber of Commerce

Hello Chamber Members!

We hope you will find this weekly E-Mail blasts beneficial and informative. It is one of your many added benefits to being a Sussex Area Chamber of Commerce member. It is filled with important updates on businesses within our chamber and community.

If your business has an event, announcement, or an accomplishment to add, feel free to contact Sue Batzko, at 262-246-4940.

Advertise in the 2008 SACC Directory

Support the chamber and our community... participate in the 2008 directory and advertising your business!

While advertising is always good for your business... please remember advertising in the 2008 SACC directory will benefit your business as well as the chamber. A portion of all ad sales will go to help support the Sussex Area Chamber of Commerce.

Some things to note: This directory has a 2 year shelf life (2008-2010). Upgrades for our last directory is that this time we will have a four color, all-glossy publication. Which will enhance the quality of your ad production and the durability of this piece.

Expect to be contacted by Melissa Fisher at Lake Country Publications. She is helping in the ad sales of this publication. Her number, if you need to reach her is, 262-367-2395 ext 124 or her email address is mfisher@jcpgroup.com.

Construction of Hwy 74

At the SACC March board meeting, Steve Hoff from the Wisconsin Department of Transportation spoke about the stretch of Hwy 74 in Sussex that will be affected by the road construction.

Construction will start May 1st at the Main St./ Waukesha Ave. intersection. The intersection will be widened to 5 lanes with added stop and go lights.

DOT will work with the village and railroad to get the RR by Quad/Graphics to be a silent zone. There will be a round-about going in at the Towline/74 split to get traffic moving. Waukesha Ave. to Good Hope Rd. will be shut down for 120 days. The cost of the project that will run through the Menomonee Falls area is \$8MM.
